## Firm Culture

Dillingham & Murphy is a unique group of lawyers. Our lawyers and practice areas are diverse, and our experience is extensive. We actively recruit attorneys who grasp and solve the practical problems faced by clients including the high cost of litigation. We place a premium on lawyers with superior legal as well as communication skills because the successful lawyer in a competitive market must have excellent people skills to mediate and negotiate successfully in and out of the courts. Dillingham & Murphy is always looking for potential new colleagues who share these values. Clients benefit from working with multi-disciplinary attorneys in one or more of our practice areas, including attorneys who are fluent in conversational Cantonese, Mandarin Chinese and Spanish. The Firm participates in fund-raising for charity, encourages its attorneys to volunteer services in the community, and sponsors several golf tournaments.

Dillingham & Murphy is large enough to handle its clients' needs, yet the right size to be highly cost effective.
